SKINLABRX
BY DR. HIRMAND

FACE & EYES

■ MEDICAL FACIALS

SONIC CLEAN\$300
Ultrasonic Facial – microcurrents stimulate collagen, clean pores & drive in anti-oxidants.

iPEEL\$250
The **ULTIMATE Anti-Aging Eye Treatment** – 10 step “facial for the eyes” hydrates, exfoliates and improves fine lines.

■ CHEMICAL PEELS

3-STEP RESTORATIVE PEEL.....From \$250
Selection of 5 Peels: Sensitive Lactic, Glycolic, Salicylic, Pigment Balancing & TCA improve & maintain skin health & luster with NO DOWNTIME.

The Steps:

1. Prepare: Dermaplaning/Exfoliating Mask
2. Peel: Application of customized chemical peel
3. Protect: calming serum/hydrocellulose mask

4-6 Treatments recommended. Package pricing available.

PIGMENT PEEL PLUS (TCA 20).....UPON CONSULT
Deep Corrective Peel – Dramatically improves skin tone & texture, boosts collagen, resurfaces lines & unveils new skin after 1 week of peeling. *Performed by Dr. Hirmand.*

■ RESURFACE

ICON CLEAR.....From \$1,000
Beyond Fraxel – Non-ablative, IPL laser improves tone, texture, pore size, scars, stretch marks & melasma.

ACTIVE FX.....Upon Consult
High Impact Fractional CO₂ Laser – Powerfully resurfaces deep lines, scars & brown spots and boosts collagen on skin of eyes, face & neck with one week downtime.
Performed by Dr. Hirmand.

■ TIGHTEN

FORMA.....Packages from \$3,000
Radiofrequency Tightening – Improves skin elasticity & collagen formation to tighten the skin of the face & neck.
6-8 weekly treatments recommended. Package pricing available.

ULTHERAPY.....Upon Consult
Micro-focused Ultrasound – Tightens tissue 3 levels under the skin to firm & lift the face, neck, brow, décolletage or knees.

FACE & EYES

■ RENEW

IPL REJUVENATE.....From \$550
Intense Pulsed Light – Improves skin’s tone & texture, hyperpigmentation, rosacea, vessels & blemishes on face, neck, chest & hands. Spot treatment available.
3 treatments recommended. Package pricing available.

VASCULAR CLEAR.....From \$300
Capillary Removal – Clears vascular lesions, broken capillaries and spider veins.

■ REGENERATE

MICRONEEDLINGFrom \$750
Regenerative Resurfacing – Activates skin’s natural healing response to improve fine lines, acne scars & pigment. Promotes collagen production & tightening with no downtime.

FRACTORA.....From \$1,000
The **ULTIMATE Microneedling** – Radiofrequency-boosted needling is customized to match available downtime, 0-5 days.

SkinRegeneRx

BIOREGENERATIVE TREATMENT PLATFORM DESIGNED BY DR. HIRMAND

Bioregenerative Anti-Aging therapies utilize the body’s own biological factors to supercharge healing and rejuvenation for the most powerful results with no downtime.

PRP SKIN FUSION.....From \$1250

Microneedling + PRP – The crown jewel of our SkinRegeneRx regenerative platform. Uses microneedling & Platelet Rich Plasma derived from each person’s own blood to promote collagen synthesis, blood supply and nutritive growth factors.

Tightens, brightens, resurfaces and renews skin with no downtime. Safe for all skin types.

Series of 3 recommended. Package pricing available.

BODY

■ CONTOUR

COOLSCULPTING.....From \$750/area
Fat Freezing – Permanently reduces fat bulges on the belly, love handles, hips, upper back, thighs & knees with one in-office treatment. Results visible as early as three weeks.

ULTRASHAPE.....Packages from \$3,800
Ultrasound Fat Destruction – Safely destroys stubborn layer of fat on the belly, hips, and flanks in 3-painless, no downtime treatments.

FORMA PLUS.....Packages from \$3,000
Radiofrequency Skin Tightening – Boosts collagen & elastin production to aggressively tighten the skin of the body. 6-8 weekly treatments recommended.

ULTHERAPY (FOR THE BODY).....Upon Consult
Ultrasound Body Firming – Firms & lifts body areas including the knees & décolletage.

■ CELLULITE

Body FX.....Packages from \$3,000
Radiofrequency Cellulite Reduction – Suction & heat deliver a 3-pronged attack on cellulite of the buttocks, thighs & abdomen. Improves lymphatic drainage, shrinks fat cells & thickens skin.
6-8 treatments recommended. Package pricing available.

CELLFINA.....Upon Consult
Dimple Release – No-downtime treatment rapidly improves appearance of dimples on buttocks & thighs by releasing fibrous bands under the skin.
Performed by Dr. Hirmand.

■ RESURFACE

3-STEP BODY CORRECTIVE PEELS.....From \$350
Medical Grade Chemical Peel – Selection of 5 customized peels rejuvenate neglected skin of the body. Tighten crepiness, target sun damage, and retexturize dull and rough skin.

The Steps:

1. Prepare: Exfoliation
2. Peel: Application of customized chemical peel
3. Protect: Soothing serum and healing epidermal repair cream

HAND REVITALIZEFrom \$350
